START WITH ART!

Learn how to express your own style, create mood, and jazz up your interior with easy to learn Wall Design principles.

Need an energetic inspirational presenter for your next happening? This isn't just Blah, blah, blah! Suzanne Gallagher, The Wall Design Diva, is an interior design specialist in art and custom framing design. Suzanne's experience in helping individuals and businesses with dynamic wall design for homes, offices, and other commercial spaces has given her unique insight to the power of art in the interior space.

Suzanne's presentations are full of practical design tips that you can apply now, along with personal stories that will make you laugh, maybe even cry. She will engage and motivate you to re-evaluate your spaces and create the Va Va Voom, Ooh la la, and "That's it!" look that we all want.

Your group will be inspired and engaged. Suzanne is passionate about transforming each interior into the personal space that everyone desires. Your home is the one sanctuary that reflects *your* style, *your* personality. The art is the unique design element, the focal point of most rooms that truly tells your story. It is the "design glue" that holds a room together, incorporating color, mood, and style that the sofa just can't do!

Suzanne's book, The Fine Art of Wall Design is a testimony to her enthusiasm for and knowledge of art and its application in the interior space.
